ALONDRA METHODISTS BREAK GROUND SUNDAY

Groundbreaking ceremonies next Sunday afternoon at the Alondra Park Methodist Church, 3153 W. Compton Blvd., Gardena, will climax the end of a successful fund-raising drive.

The festivities will begin at 3:30 p.m. and will end in time for an organ recital at 4 p.m., according to the Rev. Earl W. Isbell, pastor.

This groundbreaking was made possible through the successful two-week building fund campaign recently completed. W. Woodard Dunlap, campaign general chairman, reported that with a goal of \$75,000, members and friends of the church raised \$78,403 in cash and pledges.

Construction Set Soon

Construction of the new building, which will begin as soon as details of financing have been completed, is expected to cost about \$65,500, including architect's fees. Architect has been James H. Van Dyke, of Los Angeles; general contractor will be Ernest W. Hahn, Inc., of Hawthorne. Financing is being arranged through Pacific State Bank, of Hawthorne, the pastor stated.

Guests expected at the groundbreaking include Dr. Ray W. Ragsdale, Los Angeles district superintendent of the Methodist Church, as well as nearby ministers; James H. Van Dyke, architect, and Ernest W. Hahn, contractor. The ceremonies will be in charge of Robert E. Martin, Lawndale, who is chairman of the church building committee, and Gilbert McMillan, Lawndale, chairman of the official board, who will be present; also, Robert Martin, Lawndale, chairman of the church building committee that worked out the plans for the new social hall, and Arthur Lloyd, Gardena, president of the board of trustees.

SOUL, BODY IS TOPIC ON SUNDAY

Christian Science churches will have as their Lesson-Sermon text on Sunday, "Soul and Body."

Luke's Gospel relates the healing of "a woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise life up herself." The account reads, "And when Jesus saw her, He called her to Him, and said unto her, Woman, thou art loosed from this infirmity. And He laid His hands on her: and immediately she was made straight, and glorified God" (13:11-13).

This account is correlated with a passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, which reads, "Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation" (p. 210).

The Golden Text is taken from II Corinthians (3:18), "We all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord."
